and Your mer-cy is like the sea, reach-ing out through e - ter - ni - ty.

Ev - ery - one will be kneel - ing down, when the

King ap - pears with His crown. On that day we will com - pre - hend

2. How I'm longing to see Your face!
 And to rest in Your warm embrace,
 where the beat of Your heart I'll hear
 soothing all of my pain and fear.

On that day that You come again
 brilliant light will flood ev'ry glen.
 And surrounding Your throne we'll sing
 laud and praise to the King
 Angels' voices will ring!
